

Tapwater doorstromend aansluiten met toilet als laatste tappunt.

Architectural drawing of a building floor plan, showing a detailed section of a long, narrow building with multiple rooms and corridors. The drawing includes a grid system (1-10 horizontally, A-E vertically) and a color-coded path (red, green, blue) running through the center. The drawing is labeled "Tapwater 4e" at the bottom left.

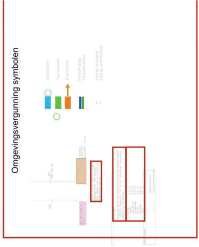

Riolering (2e/3e) /4e
