

De laadpaal (met 2 aansluitingen) wordt geplaatst ter plaatse van de blauwe pijl.

The map illustrates a residential development plan. A central green area, likely a park or sports field, is highlighted with a large blue arrow pointing towards a cluster of buildings. The surrounding area is divided into various plots, some of which are outlined in red and others in blue. The map includes labels for streets such as 'Kumpferweg' and 'Schwanenweg'. A legend in the bottom right corner provides additional information about the map's symbols and colors.
