KNAC VJ 26 Ochtend 1

This is a detailed topographic map of the Leerdam region in the Netherlands. The map features a grid system with coordinates. Key geographical features include the Waal river, various polders (e.g., Polder Middelkoop, Polder Over-Heicop), and numerous waterways. The map also shows the boundaries of several municipalities, including Gemeente Vijfheerenlanden, Gemeente West Betuwe, and Gemeente Zaltbommel. Major roads and infrastructure are marked, along with various landmarks and place names. The map is oriented with North at the top.
