

The diagram illustrates a matrix of profiles based on two dimensions: intensity and support level. A horizontal arrow at the top, labeled 'intensiteit', points to the right, indicating increasing intensity from left to right. A vertical arrow on the left, labeled 'ondersteuningsniveau', points downwards, indicating decreasing support level from top to bottom. The matrix consists of four columns representing profile types and three rows representing categories. Each cell in the matrix contains the text 'Profielcode'.

	Profiel	Basis	Aanvullend	Intens
Categorie 1	Profielcode	Profielcode	Profielcode	Profielcode
Categorie 2	Profielcode	Profielcode	Profielcode	Profielcode
Categorie 3	Profielcode	Profielcode	Profielcode	Profielcode
