

A hand-drawn sketch of a road intersection. A vertical road on the left meets a diagonal road from the bottom left to the top right. At the intersection, there are several rectangular shapes representing buildings. A road sign on the vertical road indicates a right turn. The number '5558' is written near the intersection. Below the sketch, the text 'Wintersweg Hecweg' is written, with 'Hecweg' crossed out and 'Hecweg' written below it. To the right, there is a small sketch of a road sign with the text 'Hecweg' and 'Wintersweg'.
