

FASE 1

Architectural site plan for 'FASE 1' showing building layouts, parking areas, and surrounding infrastructure. The plan includes labels for 'Bouwwiel L h: 18.5m', 'Leiler 550 E-C 140 Lume', and 'Leiler 600 E-C 140 Lume'. It also shows 'Stelplaatsen 33m x 9m' and a 'Buitenplaats 70000'. The plan is detailed with dimensions, area calculations, and material specifications.

The site plan illustrates the proposed stadium and its integration with the surrounding urban environment. Key features include:

- Stadium Layout:** The stadium is divided into several sections:
 - Bouwdeel T** (h: 70m): The top section of the stadium.
 - Bouwdeel Mw** (h: 25m): The middle section of the stadium.
 - Bouwdeel Ms** (h: 25m): The lower middle section of the stadium.
 - Bouwdeel L** (h: 18.5m): The bottom section of the stadium.
- Lezier 630** and **Lezier 650**: Two large, curved sections of the stadium's seating bowl.
- EC-H 100** and **EC-H 200**: Two large, rectangular sections of the stadium's seating bowl.
- 40m lijn**: A line indicating a 40m distance or boundary.
- 70000** and **61500**: Numbers indicating the capacity or area of the stadium sections.
- Buitenplaats**: An outdoor area adjacent to the stadium.
- kavelgrens**: A boundary line separating the stadium from the surrounding urban area.
- Stapelplaatsen** (3m x 9m): Stacking areas for materials or equipment.
- Begac verharding** (vm mogelijk, gras/wierzuurwieden, MITS / Gemeente): A note regarding the paving of the area, mentioning the possibility of grass or wildflower meadows, subject to approval by the municipality.
- Grondwater**: Groundwater levels are indicated by dashed lines and symbols.
- SW** (Sanitary Water) and **GW** (Groundwater) symbols are used to denote specific infrastructure elements.
- 116**: A number indicating a specific location or distance.
