

This is an aerial photograph of a residential neighborhood, overlaid with a map showing property boundaries and building footprints. The map uses green lines to delineate individual lots and red polygons to represent the footprints of houses. A red rectangle highlights a specific lot, which is the subject of the report. Various lot numbers are labeled throughout the map, including 133A, 133, 143, 141, 137A, 131A, 108, 106, 104, 100, 98, 96, 110, 3034, 3412, 4283, 4280, 3370, 3691, 3482, 2695, 610, and 2694. A yellow dot is located on lot 133, and a yellow circle is on lot 108. The surrounding area includes streets, parking lots, and other residential buildings.
