

The architectural floor plan shows a building layout with rooms 11A through 11K highlighted in red. The plan includes a grid system (A-G horizontally, 4-6 vertically) and various room labels like '11K', '11L', '11', '11A', '11B', '11H', '11G', '11F', '11E', '11D', and '11C'. Red arrows point to specific areas: one to room 11L, one to room 11, and one to the corridor between rooms 11A and 11B.
