

Technical drawing of a cable route plan for a power distribution system. The drawing shows a network of blue lines representing cables, with various technical specifications and labels. A red arrow points to a specific location labeled "LOCATIE TIJDELIJKE AANSLUITING 3x35A". The drawing includes labels for cable types and sizes, such as "0.4 kV 4 x 95/4 x 6/BC1 x 25AL 2147 - 762" and "0.4 kV 4 x 95/4 x 6/BC1 x 25AL 762 - 95382". It also shows building footprints and a road labeled "Noordzijdseweg".
