The diagram illustrates a parking area layout for electric vehicle charging. It features a blue square sign with a white 'P' for parking. Below it is a rectangular sign with the text 'Uitsluitend voor het opladen van elektrische auto's' (Exclusively for charging electric cars). Underneath that is a white rectangular sign with two black arrows pointing left and right. A red dot on the ground indicates the location of a charging station. The parking area is bounded by a green line on the left and a red line on the right. The area is divided into several parking spaces, some of which are numbered (e.g., 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100). The area is also labeled with 'Beckeringsstraat' at the top and 'Kromme weg' on the right side.
