

This is a detailed architectural floor plan of the 2nd floor. The plan shows a long, narrow corridor running horizontally across the middle, with rooms on both sides. The rooms are numbered sequentially from 263 on the left to 201 on the right. The corridor is highlighted in green, and a red line with arrows indicates a specific path or route through the floor. The plan also shows various architectural details such as doors, windows, and furniture. A red line with arrows points to a specific area in the top right corner, and another red line with arrows points to a specific area in the bottom right corner. The plan is oriented with the top of the image towards the left.
