AI GEMEEN

- The image contains three separate architectural symbols:

 - A rectangular frame with two red circles connected by a horizontal line, representing a window.
 - A rectangular frame with a black downward-pointing triangle, representing a door.
 - A rectangular frame with a dashed blue line, representing a planting area.

Below these symbols is a section labeled K&L, which includes two more symbols:

 - A rectangular frame containing a diagonal line with the labels "MS" and "WML" near its top end.
 - A rectangular frame containing a small square with an "X" through it.

At the bottom of the page is a large section labeled BEPLANTING, which includes two circular symbols:

 - A circle with a small black dot in the center.
 - A circle with a jagged, irregular boundary and a small black dot in the center.

- This vertical column contains a detailed architectural section drawing of a building. The drawing shows various rooms with different floor levels, indicated by horizontal lines and labels like 'LS' and 'WML'. A central vertical column features a zigzag pattern. Labels include 'MS', 'WML', 'LS', 'WML', 'd 38', 'KPN', 'REGGEFIB', 'S', 'THERM', 'KPN/PS', and 'ITING'. At the top, there is a label 'K&L' above a bracket, and at the bottom, a label 'BEPLANTING' above a bracket. To the right of the drawing, there are two small rectangular boxes: the top one contains 'MS' and 'WML' with lines pointing to specific points in the drawing, and the bottom one contains a small square symbol.

MS

- This vertical column contains a detailed architectural section drawing of a building's cross-section. From top to bottom, it includes: a rectangular frame; a small square icon with an 'X' inside; a horizontal line with a red circle at the left end; a blue line labeled 'LS'; a black line labeled 'WML'; a wavy line labeled 'd 38'; a grey line labeled 'KPN'; a grey line labeled 'REGGEFIB'; a red horizontal bar; diagonal hatching; a blue horizontal bar; a sun icon with 'SS' and 'PIEGE' labels; a blue line labeled 'KPNFB'; a red circle at the bottom; and the word 'ITING' at the very bottom.

BEPLANTING

- This image is a vertical stack of several diagrams and text labels, likely from a scientific or technical document. At the top left is a small circle with a dot and the number '38'. To its right is a circular diagram with a jagged outer boundary and a central dot. In the top right corner is a large capital letter 'N'. The middle section contains a series of horizontal bars in different colors (black, grey, red, orange, blue, yellow) with some diagonal patterns. Below these bars is a sun-like symbol with radiating lines and the letters 'ES' next to it. To the right of the sun is the text 'KPNFIB'. Further down is a small square with a diagonal line through it. To the right of this is a red circle with a black outline. At the bottom left is a large white rectangular area with the word 'ITING' partially visible on its left edge. At the very bottom left is a black L-shaped block.

- This image shows a vertical strip of paper with several distinct markings. At the very top is a short horizontal red line. Below it are several thin, parallel lines in different colors: red, yellow, blue, and grey. To the left of these lines is a small sun-like icon with a face and a smiling mouth. Next to the sun are the letters 'S' and 'THE EASY'. Below this section is a small red circle. At the very bottom of the strip is a large, solid black L-shaped cutout.

A vertical stack of colored bars and a sun icon. From top to bottom, the colors are red, orange, yellow, blue, and grey. The grey bar has a small sun icon with a face and a smiling mouth at its bottom left corner.

Opmerkingen:

- Zo grof mogelijk geotextiel om lavapakket, afhankelijk van korrelgradatie omliggend zand
- **Géén** geotextiel om IT-buizen

Hoewel de ligging van de kabels en leidingen zo nauwkeurig mogelijk is weergegeven, geschiedt de beschikbaarstelling van deze kabels en leidingen en de daaruit blijkende gegevens, onder de uitdrukkelijke voorwaarde, dat door ons generlei aansprakelijkheid of verantwoordelijkheid wordt aanvaard, voor eventueel blijvende onvolledigheden of on-juistheden de verkrijger ons vrijwaart tegen alle aanspraken van derden.

Wij verzoeken nadrukkelijk, bij werkzaamheden in de nabijheid van kabels en leidingen, tijdig met het desbetreffende nutsbedrijf overleg te plegen, omdat tussentijdse wijziging van de situatie of de kabel of de leiding mogelijk is en mede omdat de hiervoorstellingen niet op deze tekening zijn weergegeven.
