

The map shows a rural area with a network of roads and water features. A red dot labeled '1' is located near the intersection of Zwart Moerken and a small water body. Major roads include N394 (Ettenseweg) running north-south and N263 (Bredaseweg) running east-west. Other roads shown are Hellegat, Fort Oranjestraat, Kleuterhuislaan, Watermanseweg, Watermolenstraat, Slikstraatje, De Lange Dreef, and Kaarschot. Water bodies are depicted in blue, and green areas represent fields or forests. The map is titled 'Grondwateronttrekking' at the top.
