The map illustrates the urban areas within the Waterschap Vechtstromen where water withdrawal is prohibited. The watershed's boundary is marked by a blue dashed line. Urban areas are highlighted with red diagonal hatching. Numerous locations are labeled, including Emmen, Coevorden, Hardenberg, Almelo, Enschede, and many smaller towns like Dedemsvaart, Vriezenveen, and Rijssen. Major roads such as the A1, A37, and A35 are depicted as grey lines. The map also shows surrounding areas like Zuidwolde, Nieuwleusen, and Raalte. A legend in the top-left corner explains the symbols for the withdrawal prohibition and the watershed boundary. Below the legend, the Waterschap Vechtstromen logo is present, followed by the map title and copyright information. A scale bar and a north arrow are also included. At the bottom right, the text 'Esri Nederland, Community Map Contributors' is visible.
