

Architectural elevation drawing of a building facade. The drawing shows a long, low structure with a gabled roof. The facade is divided into several sections: a large window on the left, a central entrance with a gabled roof, and a series of smaller windows on the right. The drawing includes dimensions for the various sections and the overall width.

Section	Width (mm)
Left Window	2438
Central Entrance	2438
Roof over Entrance	290
Central Wall	4000
Right Wall	6058
Far Right Window	4900
Overall Width (Excluding Left Window)	14100
Overall Width (Including Left Window)	19056

Architectural elevation drawing of a building facade. The drawing shows a long, low structure with a gabled roof section on the right. The facade is composed of several vertical elements, including windows and doors, and is divided into sections by vertical lines. Below the drawing, a series of dimension lines indicate the following measurements:

- 2000
- 8500
- 2500
- 7500
- 1500
- 19563 (Total length)

Architectural drawing of the facade of a building, showing a long, low structure with a central gabled section and a smaller gabled section on the right. The drawing includes a scale bar at the bottom with dimensions in meters (m) and a north arrow at the top left.
